Profile

Enthusiastic and detail-oriented Front End Developer with a solid HTML, CSS, and JavaScript foundation. Skilled at creating visually appealing and responsive websites with strong UI/UX design. Experienced in using Bootstrap and React for front-end development, with knowledge of Git, GitHub, and website deployment. Some experience in software testing enhances my attention to code quality and performance.

Professional Experience

Front End Developer Intern   06/2024 – present | Vashi
Awdiz Institute
- Managed and updated the organization's website, ensuring continuous improvements.
- Created websites for the organization and handled client projects in real estate.
- Gained practical knowledge in SEO practices and code optimization for enhanced visibility.

MERN Stack Trainee   11/2022 – 05/2023 | Thane
HasbaSoft Pvt. Ltd.
- Acquired hands-on experience with HTML, CSS, JavaScript, and React.js.
- Developed a fully responsive Netflix clone using HTML and CSS.
- Created a Typing Master web app using JavaScript to test typing speed in real-time.

Projects

Calculator Web App ⧉   10/2024 – 10/2024
Created a fully functional calculator web app using HTML, CSS, and JavaScript. The app features an intuitive user interface and performs real-time calculations.

Personal Portfolio Website ⧉   09/2024 – 10/2024
I created a personal portfolio website to showcase my HTML, CSS, and JavaScript skills. The website's modern design highlights my projects for potential clients and employers.

Typing Master Web App ⧉   02/2023 – 03/2023
Developed a Typing Master web application that uses advanced JavaScript to live-check user typing speed and accuracy. The app provides real-time feedback and displays results, enhancing the user experience and helping users improve their typing skills.

Netflix Like Frontend ⧉   12/2022 – 01/2023
Developed a Netflix-like frontend using pure HTML and CSS. The project features a responsive design that mimics the Netflix interface, showcasing my skills in front-end development and attention to detail.

Achievements

Ranked 3rd in B.Tech Graduation

Participated in Smart India Hackathon

Participated in State Level Project Competition
